Canine: **A Whiskey Row Royals Canine**

Call Name: _____

Date of Birth: _____

Sex: ☐ Male ☐ Female

Color: _____

Microchip #: _____

Purchase Price: \$_____

Breeding Rights: **Full Rights**

1. Purpose of Sale

This puppy is sold with full ownership and full breeding rights. The Buyer assumes all responsibility for the dog's future use in a breeding or showing program, and agrees to uphold high standards of ethical breeding practices in accordance with the breed standard and the dog's health and temperament.

2. Health Guarantee

The Breeder provides a **2-Year Health Guarantee** covering serious, life-threatening congenital and hereditary conditions only.

Covered conditions include, but are not limited to:

- Genetic heart defects
- Liver shunt
- Kidney disease
- Hip or elbow dysplasia (severe, genetic)
- Other major organ dysfunction deemed congenital

Not covered:

- Minor cosmetic faults or non-life-threatening conditions
- Parasites (intestinal or external), coccidia, giardia, or kennel cough
- Injury, neglect, or accidents
- Adverse vaccine or medication reactions
- Behavioral problems or training issues

If a covered defect is diagnosed by a licensed veterinarian within **24 months of the puppy's birth**, the Buyer is eligible for a replacement puppy of equal value from the next available comparable litter. No cash refunds will be given. Proof of diagnosis is required, and the Breeder reserves the right to a second opinion.

3. Veterinary Care & Buyer Responsibility

The Buyer agrees to:

- Take the puppy to a licensed veterinarian within **3 days of possession**
- Provide regular veterinary care, including vaccinations and parasite prevention
- Feed a high-quality, appropriate diet
- Ensure proper physical and mental stimulation
- Use safe, responsible breeding practices if the dog is used for reproduction
- Maintain a safe, loving home environment
- Inform the Breeder of any major health conditions diagnosed during the dog's lifetime
- Failure to provide basic care and humane treatment may void this contract and result in blacklisting from future litters.

4. Breeder Support for Life

The Breeder agrees to offer ongoing support for the lifetime of the dog, including:

- Advice regarding health, training, grooming, and breeding

- Referrals to veterinary or reproductive specialists
- Mentor ship and support during breeding or showing, if requested
- Ongoing communication via phone, email, or text
- The Buyer agrees to keep the Breeder updated with health testing results, breeding outcomes, and major health or temperament issues.

5. Re-homing & Return Policy

This puppy may NEVER be surrendered to a shelter, rescue, pet store, or third party. If the Buyer is ever unable or unwilling to care for the puppy for any reason, the puppy must be returned to the Breeder—no matter the dog's age, health, or circumstances.

The Buyer may not re-home, sell, gift, or transfer ownership of the puppy to another person or entity without express written consent from the Breeder. No refund is guaranteed for returned puppies.

The Breeder may assist in re-homing if requested, but all placements must be approved by the Breeder. This policy exists to ensure the lifelong safety and stability of every puppy we produce.

If a returned puppy is found to have been neglected, abused, improperly socialized, or otherwise wrongfully cared for, the Breeder reserves the right to blacklist the Buyer from all future litters. This is a zero-tolerance policy intended to protect the health and well-being of our puppies for life.

6. Limitation of Liability

The Breeder's total liability is limited to the original purchase price of the puppy. The Breeder is not responsible for:

- Veterinary bills
- Reproductive or fertility complications
- Emotional or financial distress
- Legal or travel costs
- Injury, illness, or death caused by neglect, improper care, or environmental conditions after the sale

7. Transfer of Ownership & Acknowledgment

The Buyer agrees to all terms and understands the responsibility that comes with purchasing a dog with full rights.

8. Grooming Requirements

The Buyer acknowledges that a **Whiskey Row Royals canine** requires regular grooming appropriate to its breed, coat type, health, comfort, and well-being. Failure to meet these grooming requirements can

lead to serious health concerns including skin infections, matting, ear problems, and restricted movement.

The Buyer agrees to the following grooming expectations:

- **Brushing:** The coat must be thoroughly brushed at least 3–4 times per week to prevent matting.
- **Professional Grooming:** The dog must be professionally groomed every 4–8 weeks, depending on coat length and style.
- **Bathing:** The dog should be bathed regularly using appropriate canine shampoo and conditioners.
- **Ears:** Ears must be kept clean, dry, and checked weekly.
- **Nails:** Nails must be trimmed regularly to prevent pain or foot deformities.
- **Teeth:** Routine dental hygiene, including brushing or vet-approved chews, is strongly encouraged.

The Buyer agrees to keep the dog well-groomed throughout its life and understands that failure to do so may result in neglect, which may void health guarantees and lead to disqualification from future purchases.

Governing Law

This contract is binding and enforceable in the state of Arizona.
